User Journey

VideoAds

Capture the attention of up to 6.5-million highly engaged South Africans, predominantly in the mainstream SEM 4-7 mass-market audience.

Discover

Identify customers in MoyaApp Discover from MoyaApp's up to 4-million daily active users. Engage prospects with promotions, marketing communication & special offers.

BusinessAPI

Chat with prospects and customers or run up sell/cross sell promotions at a fraction of the cost of existing mobile channels.

BusinessAPI

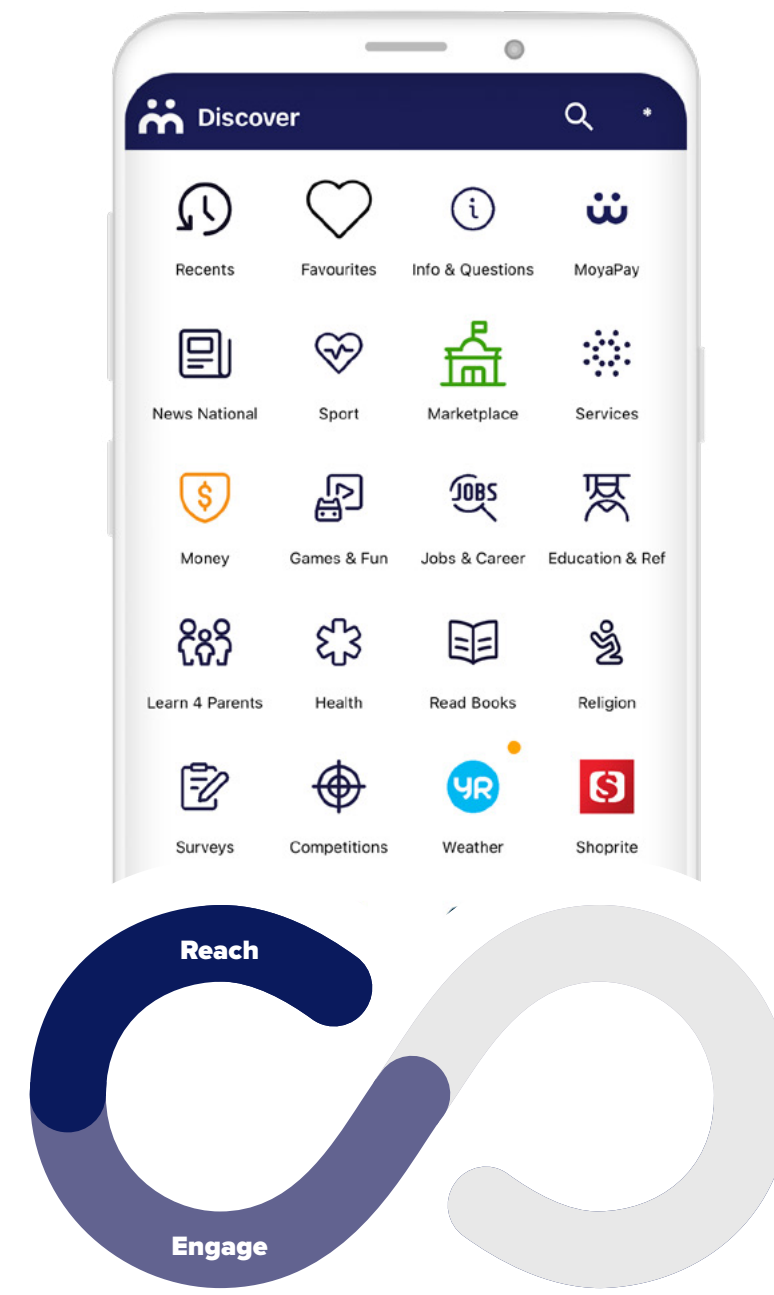

Service and support existing customers utilising Moya Business Chat API by adding an additional chat account, available to customers #datafree, across all 4 networks.

VideoAds

Full Screen video ads, short length deliver high view completion rates with exceptional impact and engagement. #datafree eradicates the data cost barrier. Consumers incur NO DATA COST to view vertical Instagram Style, 10-second, full screen, pre-loaded instant-play video ads.

Discover

Reach and engage a mobile first audience of up to 4 million daily active users in South Africa. Run unique brand awareness activities, opt-in offers and promotions with much higher user engagement than other platforms, because it's #datafree.

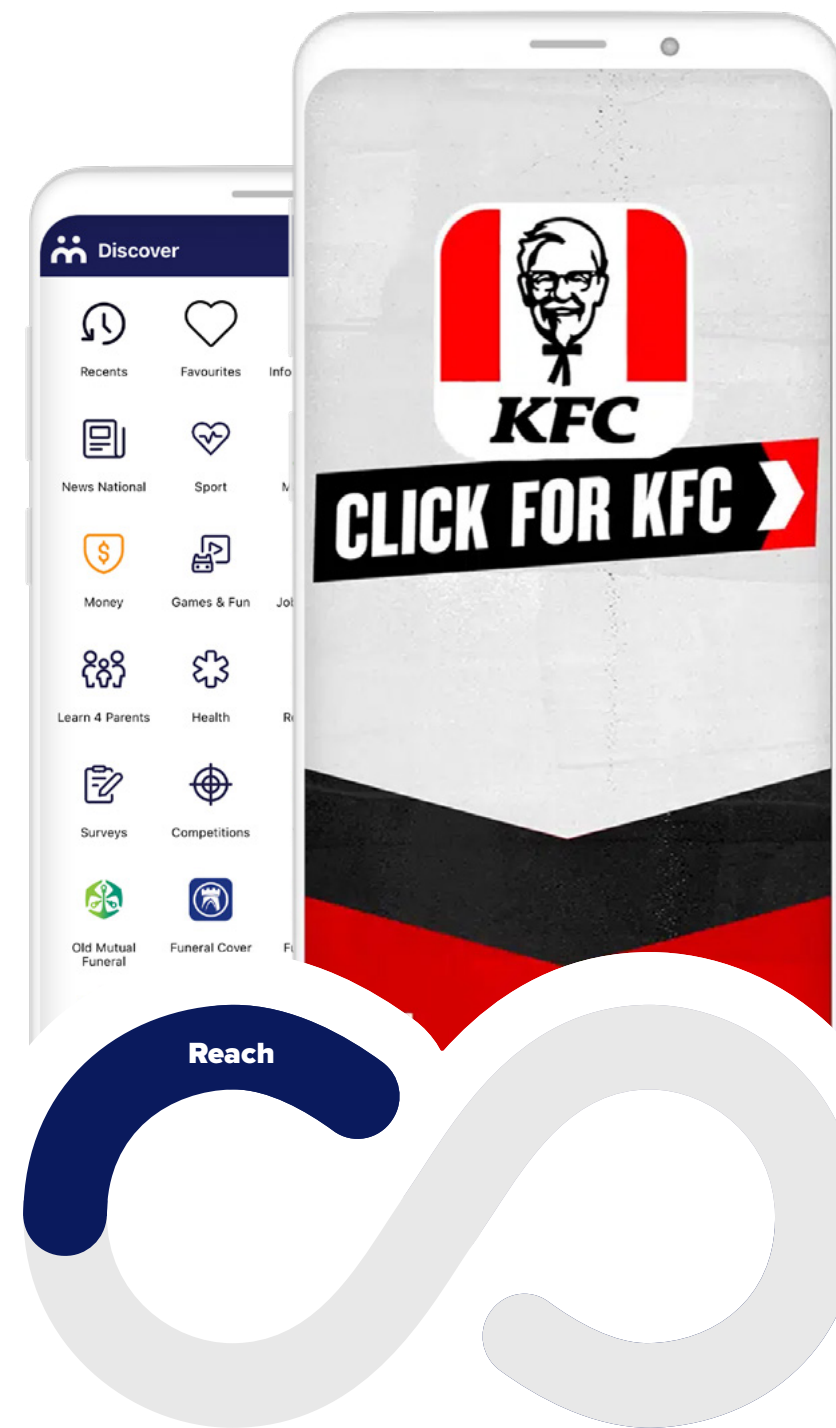

BusinessAPI

Engage your users, through opt-in MoyaApp chat messaging. Users receive and reply to messages or bot integrations #datafree. Send individual or broadcast messaging with links to #datafree content, offers and promotions.
